CHURCH ATTENDANCE

Most churches suffered low attendance during the pandemic. Live streaming kept those at home involved and congregations have continued that practice. With serious cases declining many are coming back to be at church and participate in activities. While near 80% will say they are “Christians” you find only around 22% actually in church.

There are many reasons for *regular church attendance* and worship.

It honors God and obeys the command to be steadfast, and follows the Biblical notice not to neglect the assembling together. We need to be a part of a community of faith. As the early church we need those reminders of who we are and our forgiveness by observing the Lord’s supper together. We come to help the Lord’s work with our tithes and offerings as commanded in Scripture. As the family of God, we benefit by hearing others experiences and encourage one another. We may study at home but our attendance gives us more teaching and understanding. Christians praise is pleasing to God...in testimony, songs and music. At church we can get help in prayer and giving. We learn about world evangelism and helping to lead others to Christ’s salvation in our community, family and around the world as Jesus called on us in the Great Commission— make disciples in every nation. We all need to gather as the army of the Lord as we battle the evils of society and false doctrine. We know Satan is hard at work to take down Christianity. Every person needs time away from the cares of the week and rest as Jesus promised to help when we have burdens. We have 168 hours each week. Is it asking too much to give an hour or two to gather with fellow believers? Church is where you need to bring your family to prepare your children for the dangers that the world presents. When we meet, we also share ideas for activities that can bring us closer to one another in working for the kingdom. People are baptized rising to a new life in church.

Let’s get back in attendance, become active and dedicated to the church of Jesus Christ. The church should wear His name, believe His deity, imitate His life, observe His ordinances, accept His love and grace, follow His Word, carry out His commission and prepare for His return. **SEE YOU SUNDAY BRING A FRIEND**
